‘ACTING IS REACTING’ WORKSHOP WITH ANDY HINDS

Artistic Director of Classic Stage Ireland, Andy Hinds has over 25 years experience teaching professional and amateur actors and directors and has had many successful theatre productions in the Druid, Abbey, Gate and Lyric. He has lectured on the MA at Drama Studies Centre at UCD, has conducted a series of Master classes at Shakespeare’s Globe in London and is writing a book on ‘Acting Shakespeare’. This workshop explores the principle that when acting on stage one must only and ever be ‘reacting’.
